## Rules

1. Roll dice to see who starts – highest goes first.
2. Go up ladders and down snakes.
3. If you land on a box with a question mark, the person on your right picks up the top card and asks you a question. If you get the answer correct, move on one space.
4. To finish the game, you must throw the exact number to land on the last space.
5. The winner is the first player to land on the FINISH.
