Dear Chris,

With regard to Petition PE1350, it is the general opinion of the members of the Society of William Wallace and others involved that the aim of the petition has been achieved. The Wallace document will be returning to Scotland on ‘extended loan’ and for occasional exhibition (limited, of course, due to its age and the inherent problems of displaying documents of this provenance). The ‘extended loan’ part may be up for later negotiation, as we feel there should be no doubt whatsoever that the document belongs in Scottish archives, but that’s for a later date. Ultimately we feel that the petition has been successful, and we thank the Committee and all others involved for their assistance in this matter. It is truly appreciated.

Regards,

Nick Brand

On behalf of the Society of William Wallace.
