

CITY OF EDINBURGH COUNCIL (PORTOBELLO PARK) BILL
OBJECTION 55 – PAULINE, GEORGE, SARA AND EMMA MACDONALD

**This objection was signed by the objectors and reproduced in typed
(electronic) form by the clerking team**

We the undersigned object to all of the bill 'Portobello Park Private Bill' lodged by the City of Edinburgh Council.

Our interests would be adversely affected:

1. We would lose a freely accessible open space.
2. The landscape value would be destroyed.
3. The increase in traffic is a major concern on what is already a main arterial route to Edinburgh city centre.
4. The implications of a precedent being set for other councils to follow suit if this bill goes through.
5. The law has already spoken and has found building on the park to be illegal.
