

PE1523/O

Petitioner Email of 17 March 2015

Dear Chris,

I have been busy sending out feelers to engage the feelings of people who wish the Tinker's Heart scheduled.

Historic Scotland are inviting those people to tell them their story, no matter how trivial.

Sadly many are perturbed by the attached and refuse to correspond with HS.

<http://www.historic-scotland.gov.uk/tinkers-heart-consultation-response-form.pdf>

Please can you put these concerns to the Committee.

Yours respectfully,

Jess Smith
