

The Scottish Parliament
Pàrlamaid na h-Alba

ABAIR BEAGAN

[ap-er bek-an]

'Speak a Little'

A selection of Gaelic words and phrases

Pronunciation key

tch = the sound in English batch, catch, match

ch = the sound in Scots loch and German Bach

ou = the vowel sound in English noun

aw = the vowel sound in English law

oeu = is like the vowel sound in English food but said with the lips unrounded. Try saying 'ooh' then spread your lips flat.

*The stress in Gaelic words usually falls on the **first** syllable. We've tried to indicate this in the phonetics with **bold text**.
