Dear Ms Fabiani

### **Committee on the Scottish Government Handling of Harassment Complaints**

As I indicated in my letter to you of 30 November, the written statement and 288 supporting documents that the Scottish Government provided to the Committee on that date had not been adapted to include documents which Mr Salmond's legal team had indicated on 26 November could be released or to reflect the further information contained in that letter. I undertook to provide you with these documents as soon as possible.

I am now providing the Committee with a final written statement and timeline, along with 80 supporting documents relating to the investigation of the complaint phase of the Committee's inquiry.

**JOHN SWINNEY**
