

[Redacted]

**Barbara / Gillian**

13 November 2017

12:09

**Sexual harassment**

Gillian: [Redacted]

Is a Police Scotland liaison officer that we could contact if necessary.

BA: [Redacted] Not appropriate to be proactive here but if they wish to speak to someone about their experiences then to contact Gillian.

Do we know what happened / how do we stop that happening that again in future? Did someone speak at the time? Think that people did try to do their best.
