Morning. Hope you have a good trip to [Redacted].
Gorgeous day for a train ride!
Can I have a chat with you later today if possible? I took a call this morning and agreed that I would share with you. Sorry to be vague. B

Yes - lovely morning down here.
Of course -ask [Redacted] to sort a time today - before lunch on my return? L

Great. Thanks. I will ask [Redacted] to find a time. B
