Thanks [Ms B] very helpful. Will be in touch to update you on process shortly. In the process of anonymising things, so will probably need to share those with you.

Will be in touch

I don't have [Head of Branch, People Directorate 3] available right now so over email ok? I have attached a document with a couple of questions for you if you could complete and send back to me?

Any queries please come back to me.

Hi Judith,

Ok - thanks for letting me know. Happy for email or call - whatever is easiest for you. I'm available just now for the next hour if you'd rather call.

Thanks

We are pulling thins together for the report and identifying any gaps. I have a couple of questions for you. Are you ok for me to ask you over email or would you prefer a call?

Could you let me know asap?

Thanks

Judith

Hi Judith,

Sorry for not coming back to you sooner. Thanks for sending this over. I've tracked a few changes for clarity and also to avoid identifying people directly that may not wish to be. Also, there's some statements and language that I feel I wouldn't want on the record, particularly where it could be argued that it's based on speculation (I also don't want to say anything that could be construed as potentially defamatory). So I've altered it to be entirely factual.

Just let me know if you want to discuss.

If you could keep me in the loop on next steps, that would be great.

Thanks very much

Hello [Ms B]

Thank you for taking the time to speak to [Head of Branch, People Directorate 3] and I last week. I attach copy of our notes for your review. I realise [Redacted] so if you could review and come back to me when you can, that would be greatly appreciated.

Best wishes

Judith
