

CITY OF EDINBURGH COUNCIL (PORTOBELLO PARK) BILL

COMMENTS ON AMENDMENTS FROM PORTOBELLO PARK ACTION GROUP

On behalf of Portobello Park Action Group I am writing to say that we have the following comment to make on Alison McInnes' proposed amendment to the Portobello Park private bill:

(3) In this section—
“the opportunity period” means the period of 10 years beginning with the date of the appropriation.”

This should be changed to state that at whatever point in the future the park is not used for educational purposes it reverts fully to inalienable good status and recreational uses.
