Health and Care (Staffing) (Scotland) Bill

Dear Amanda,

The Committee commenced formal consideration of the Health and Care (Staffing) (Scotland) Bill on 11 September.

Prior to the formal evidence the Chief Nursing Officer (CNO) provided us with data identifying the number of wards/teams/departments who have applied each of the workload tools during the financial years 2016/17 and 2017/18 by NHS board. You can view the data tables in the CNO’s letter.

We note from the data NHS Grampian ran the following tools in 2016/17 but not 2017/18 in the following areas:

- Maternity

To help our scrutiny of the Bill we would welcome details of why this tool was not run in 2017/18.

The Committee would welcome your response to this letter by 5 October.

Yours sincerely

Lewis Macdonald
