Dear Derek,

### Common Frameworks

In your [letter](#) to the Economy, Energy and Fair Work Committee of 16 April you helpfully provided an update on the progress of discussions on common frameworks that fall within your portfolio and that of the Minister for Energy, Connectivity and the Islands.

I am writing to ask the Scottish Government to provide the Committee with an indication of the timescales for the frameworks within your portfolio. I am writing in similar terms to the Minister for Energy, Connectivity and the Islands.

This information will be useful to the Committee in planning its forward work programme.

I would be grateful to receive a response by 14 August.

Kind regards,

Gordon Lindhurst MSP, Convener
