Cabinet Secretary for Environment, Climate Change and Land Reform

Graeme Dey MSP
Convener of Scottish Parliament's Environment, Climate Change and Land Reform
Committee

14 September 2016

Dear Cabinet Secretary, Convener,

I am writing to you both to follow on from the correspondence between you about the timing of the publication of Scotland's Climate Change Plan, the third report on proposals and policies, required by the Climate Change (Scotland) Act 2009.

I understand from your correspondence that the Climate Change Plan will be published at the start of January. Within the civil society movement that is Stop Climate Chaos Scotland we are very much looking forward to seeing the draft plan published. We would like to warmly welcome the timing of publication that you have agreed, increasing as it does public engagement and parliamentary scrutiny of the document.

We look forward to continuing to engage with you both, as well as your colleagues, to develop a strong Climate Change Plan that puts in place the policies that ensure Scotland progresses to a positive zero-carbon future.

Yours sincerely,

Tom Ballantine

Chair of Stop Climate Chaos Scotland
