Dear Graeme,

Thank you for your letter of 29 March 2017, regarding an update on the publication of the final Climate Change Plan. May I also extend my thanks for the considered and detailed engagement of the Environment, Climate Change and Land Reform Committee in the development of the Plan to date.

I intend to update Parliament about the Climate Change Plan in June following publication of the 2015 Scottish Greenhouse Gas Emissions statistics. I anticipate the Parliament having an interest in these statistics, so I will make a statement about both those and the next steps for the Plan at the same time.

If it would be helpful, my senior officials could meet with you on a regular basis to update you on the progress of the Climate Change Plan through to publication date. Please contact my officials at Fiona.O'Brien@gov.scot to make arrangements

Yours,

Roseanna Cunningham
