Dear Graeme,

Thank you for your letter of 29 September regarding the finalisation of the draft Climate Change Plan that was published in January.

You may be aware that I will make a statement on climate change matters to Parliament on 31 October, which is slightly more than a month after I received your letter. I hope the Committee will grant me a few extra days to reply, since I will be able to share more detailed information with the Committee after my statement.

I will therefore reply in detail to your letter shortly after 31 October.

Yours,

Roseanna Cunningham
