Dear Bob

### **National Performance Framework – National Outcomes Consultation**

As the designated lead committee, the Local Government and Communities Committee recently invited the ECCLR Committee to consider the above consultation, with a particular focus on those elements most relevant to the Committee's remit. I am writing to update you on our planned approach towards this piece of work.

On 27 March 2018 the Committee agreed they would write to key stakeholders to seek their views on the revised National Outcomes. The Official Report of the meeting is available [here](#). I have written to stakeholders today and asked for a response by 12 April 2018.

The Committee also agreed to invite the Cabinet Secretary for Environment, Climate Change and Land Reform to give evidence on 24 April 2018. It is anticipated that the information provided by the Committee's consultation with stakeholders will inform this evidence session.

I intend to respond to the Local Government and Communities Committee with the view of the Environment, Climate Change and Land Reform Committee, by 4 May 2018.

Yours sincerely,

Graeme Dey MSP  
Convener
