Dear Anne,

**Health and Sport Committee consideration of the Forensic Medical Services
(Victims of Sexual Offences) (Scotland) Bill**

Thank you for giving evidence to the Health and Sport Committee on 12 May 2020.
The Committee appreciates your time and the information you provided.

The following resources are now available from the session:

- [The Official Report](#)
- [Broadcast recording of the session](#)

During the session, you highlighted several financial and funding concerns. We would be grateful if you could set these out in more detail, including any anticipated costs and savings.

You further highlighted potential future demand for services and reporting undertaken by NHS Lanarkshire highlighting that a greater number of people may have experienced sexual assault than those coming forward. Could you also provide an electronic copy of this report for the Committee?

On behalf of the Committee, I request a response by Friday 22 May 2020 and I look forward to hearing from you.

Yours sincerely

Lewis Macdonald
