Dear Lewis,

REPORT OF THE CONTAMINATION OF THE WATER AND DRAINAGE SYSTEM WITHIN WARDS 2A AND 2B (HAEMATO-ONCOLOGY WARDS) AT THE ROYAL HOSPITAL FOR CHILDREN, NHS GREATER GLASGOW AND CLYDE.

Following the commitment made to Parliament last year by my predecessor Shona Robison MSP, I write to confirm that the Health Protection Scotland report into the contamination of the water and drainage system has now been published at the following link:
www.gov.scot/publications/qe-university-hospital-royal-hospital-children-water-incident/

I trust this is helpful.
