Dear Adam,

Health and Sport Committee – Inquiry into the Supply and Demand for Medicines

Many thanks for giving evidence to the Committee on 18 February 2020. The Committee appreciates your time and is grateful for the information you supplied.

During exchanges with the Committee on the minor ailment scheme and Pharmacy First, you discussed your understanding of the eligibility criteria and whether this extends to patients who reside in care homes. The Committee would welcome clarification as to whether this is the case.

This information would be most usefully received by 4 March 2020 and I look forward to hearing from you.

Yours sincerely

Lewis Macdonald
Convener, Health and Sport Committee
