

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM NEIL MacBEATH

This bill and proposed law is a piece of nonsense and highly likely to be unenforceable through its stupidity. If it does become law I look forward to every Sheriff in Scotland telling the legislative such. Your Government is a joke and can't decent and properly required legislation. You claim to be forward thinking, open and inclusive? You are the complete opposite. Your government encourages hate and division. It lies and cheats to gain support. You lot are an embarrassment to democracy and the true Scotland which is part of the great United Kingdom.
