

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM ESTHER MASON

To whom it may concern,

I am writing to you to express my concern for the upcoming discussion of the Hate Crime bill. As a Christian this could have a big implication on our rights of freedom to express our beliefs and I believe the same would very much apply to other religious groups. We are in danger of losing the right for open and free discussion as a society and learning to agree to disagree.

Thank you for your time to read this email.
