

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM ALAN ANDERSON

this is probably one of the worst thought out attempts at bringing in legislation. Free thought and free speech are part of The Human Rights Act 2000. Therefor from Article 8 onwards these things are enshrined in British law and no matter how you attempt to dress this up, you are trying to interfere with peoples free speech and the opinions of others. Trying to control people is Orwellian (1984). This should NEVER have been proposed nevermind discussed at Holyrood.
