

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM CONRAD SPOKE

Hello,

This legislation guarantees that, in the short term, Scotland will be a boring and unproductive country, intellectually shackled like no other country in the free world. After this legislation Scotland will no longer be considered part of "the free world."

In the long term, it is absolutely guaranteed that this law will be used to silence anti-government dissent. It will silence the voices of the powerless.

Withdraw this obscenity. Burn it.
