

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM FREDRICK AND CYNTHIA HAYES

Dear Justice committee

Here is my voice against the proposed Hate Crime bill; Groups are already protected by law but your new proposed law would take away freedom to disagree and would judge peoples hearts & motives (that they HATE) when all they do is disagree. Living in a free democratic society need robust debating with respect...that can be taught, that is called maturity. Your proposed Hate crime bill would introduce fear and take away peoples ability of Reason and created a communist/Marist way of life. NO to this bill
