

**JUSTICE COMMITTEE**

**HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL**

**SUBMISSION FROM MISS DORIS A C MACKENZIE**

Dear Sir/Madam

I am seriously concerned that if the above Bill goes forward in its present state, it will have serious implications for every area of life in our Country.

I love my Country, but am concerned about the liberty of speech. I do not condone any type of hatred spoken or physical.

However, this Bill would seek to muzzle us from any free speech. I urge those who are looking at this to seriously consider the underlying implications for every person in the country if this goes ahead.

Yours sincerely

Miss Doris A C MacKenzie
