HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM CAMERON MCCRINDLE

To the Justice Committee, i disagree with the idea of creating the new hate crime bill as i disagree with the idea of hate speech as a concept, i believe that the bill will restrict freedom of speech and expression and that no government body or individual could possibly utilise the law in a way that wouldn't allow it to be misused in order to unfairly restrict specific group's right to public discussion, allowing the government to possible utilise censorship on groups, ideologies and individuals which the government may be biased against.
