

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM MICHAEL ANDERSON

I would like to add a little extra to my initial email as I have been thinking about it.

If a husband had authoritarian control over his wife and he decided what she could and couldn't say that would be domestic abuse.

If a political party has authoritarian control over the country on what the people can and can't say. I would consider that abuse of the people in that country and abuse of your power.

Michael.
