

**JUSTICE COMMITTEE**

**HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL**

**SUBMISSION FROM DOMINIC BRUCE**

This proposed bill is fascistical in nature an indefensible. It is a massive overreach of government power and in violation of article 10 of the European Convention on Human Rights. This is an evil bill that will clearly not be used fairly as shown by the aim " to consider standalone offence on misogynistic harassment" which is intrinsically sexist towards men. Speech that does not incite physical harm or damage to property should only ever have social and never legal repercussions. This is not what the nation asked for and I look forward moving elsewhere in Britain away from the devolving nation of Scotland if this bill is passed.
