

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM HENRY LEEMAN

Dear SNP,

I currently live in the United States, after moving away from Britain, and as a matter of fact, I would actually like to move back. As a moderate, I hardly ever agree with what you do, but this bill you're putting through is actually beyond the line. I'm not racist, bigoted or fascist in any way, but I fear that one day with this bill ANYTHING I SAY can be taken out of context and used against me in court. This bill is even in violation of Section 1 human rights, as far as the EU is concerned. So give me one good reason I should come back to Scotland. Give me one good reason. Actually don't, because I can give you a very good reason to come back to Scotland. The removal of this Bill, thank you very much, that was only ratified "by the public" by a bunch of yes men and women you specifically invited.

Remove this Bill or remove human rights.

Sincerely,

Henry Leeman
