

**JUSTICE COMMITTEE**

**HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL**

**SUBMISSION FROM DAVID FAULDS**

I disagree 100% with what is being proposed in this Fascist bill. I believe that people get on in this world by voicing their opinion and having their own opinions picked apart. I do not want to live in an independent Scotland, if all the SNP Politicians want to do is shut people up and destroy their right to free speech. I want the right for people to upset me with their views and for me to upset them with my views, how else are we going to reach a happy medium. I am a member of the SNP but if this is what you stand for then I will happily withdraw my support and keep the status quo.
