

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM BRYAN GUZIK

Since my question carries no weight, I suppose you may look upon this as merely a statement. Therefore, why are you asking for input when:

All that mattered before writing it were your own & others very special interests?

And

You will undoubtedly pass this thought crime bill with ease, regardless of THE people's actual interest? Not SOME people. THE PEOPLE.

Good luck not getting caught up one day in your current grab for control over your family, friends, and neighbors. Because they too are the people of your new world. Have they thanked you yet? Will they ever?

Best,

Bryan P. Guzik
