

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM JOHN SMITH

I do not like this bill.

This bill is not representative of the general population.

This bill will Restrict our Basic Human Right to Free Speech.

If you pass this bill, you have bowed to the vocal minority of people in Scotland, and doing this will only encourage them to push you more into passing similar bills that suit them and not the general public

Please stop this. Context matters

John Smith
