

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM SEAN BRACKENRIDGE

I personally think this bill will be used for more bad than good. The right to free speech may not be in a constitution in this country but it should be protected. The people that want this bill are not politicians, nor are they “the people of Scotland”. They are activists wanting to be the thought police. As soon as we start controlling speech we start ending up like China where you can’t speak out against anything. Please don’t let this bill be passed, don’t let this slippery slope start.
