

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM TEARLAICH STEPHEN

I could write you a long rant on the failings of this bill but will confine myself to pointing out that intent is a crucial element in any judgement of this kind, and that seems to be utterly lacking in this case. This cannot be justice.

Let me add that freedom of speech is either for all or not freedom of speech.

PLEASE consider this very long reaching and serious matter in a reasoned and dispassionate way.
