

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM ARGYLL BARCLAY

The bill you have drafted to pass into legislation is a severe threat to religious freedom and freedom of expression. There are already existing laws which cover hate speech, religious and political discourse cannot progress without discussions and this bill threatens to make said discussions a crime. Please don't make me need to live in a society where I can be canceled for having right wing views on important issues.
