

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM JOHN McCOURT

Hello I am getting in touch regarding this recently proposed new bill to express how sickening and frightening I find it. This is textbook facism and even more of a clamp down on freedom of speech which can only lead down a very dark and dangerous road. My fear, as well as others, is that this power can be and will be abused by those in power and those that come after them.

This is stripping UK citizens of their human rights. This is deeply disturbing.
