

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM FIONA McGLYNN

Dear Sir / Madam

I am a Christian. Jesus Christ is my Lord. My Lord tells me in his Word to stand up for his truth. I feel very alarmed at this bill! I feel that this bill will subdue not only what I believe but what other people believe is true. To suppress people for feeling free to discuss thier views in my view is not right! I completely disagree with this bill which interferes with healthy discussion. People must have the freedom to speak up for what they think is right. Britain has been great and that is because we have been free to discuss all things. Our country will go into darkness and repression if this bill is allowed: opening the flood gates to repression and dictatorship! It is not hatred to have a view!
