

**JUSTICE COMMITTEE**

**HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL**

**SUBMISSION FROM LUCA DINWOODIE**

This Bill is a blatant attempt to restraint our right to free speech and therefore our basic human rights as outlined in the UN Declaration of Human Rights Article 10 "Everyone has the right to freedom of expression. This right shall include freedom to hold opinions and to receive and impart information and ideas without interference by public authority and regardless of frontiers." In my opinion this Bill is a clear violation of this article and charter and thus shouldn't even be brought before the parliament.
