

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM XANDER DOYLE

You're traitors to your people this bill constitutes treason in any sane country. The new additions will rob the indigenous people of Scotland their ability to voice any dissent against this cultural marxist dystopia we live in. Ofcourse the satanic regime wants to remove blasphemy laws and replace them with their own blasphemy against the new god, the multicultural, multiracial, degenerate and genocidal Satan that you worship.

Vader retro satana.
