

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM RAOUL RABINOWITZ

I am writing to you to express my concerns and objections to this bill.

This breaches article 10 of the European convention of human rights.
Freedom of speech is a basic human right and should not be controlled by the government.

Restrictions on freedom of speech are against my morals and I request you do not pass this bill.
Hate is a subjective variable in speech, legislation should not be passed on subjective topics.
