

**JUSTICE COMMITTEE**

**HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL**

**SUBMISSION FROM BEN LUSK**

I am writing In regards to the hate crime and public order bill in scotland. I think this order is taking away from freedom of speech and one step away from a social credit score. The government doesnt need to police "wrongthink" who decides what is and isnt hateful. It isnt equal in any way as there is misogyny laws in this but not misandry that is sexist that it is illegal to criticise woman based on sex but itsnt illegal to criticise men based on sexual characteristics.

**THIS BREACHES HUMAN RIGHTS AND IS SEXIST. STOP!**
