

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM LOGAN WILLIS

I am writing to you in concern about this this new bill may become reality in the future being pushed for by the SNP. I got feel Talgarth this act is one of authoritarian nature and infringes upon article 10 of the European Court of human rights regarding to freedom of speech and expression. I believe that this act has been the result of caving to pressure from a far leftist agenda Who seek to destroy the very fabric of our society and culture and believe that all laws in our land should be in their favour. I do hope that my submission is read and understand by a unbiased person of a reasonable thinking and do hope that when it comes to the actual passing of laws people like me are thought of who strongly oppose oppressive laws like this , Thank you for your time.
