

JUSTICE COMMITTEE

HATE CRIME AND PUBLIC ORDER (SCOTLAND) BILL

SUBMISSION FROM CRAWFORD BROWN

Disgusting dystopian bill being proposed. This bill is laughably and hypocritically sexist, why is misogyny an offence but there is no mysandry? . This bill is horrible, it is a violation against everyone's freedom of speech and this bill will be abused to keep those who's opinions are against the governments' or police from using their right to freedom of speech. This is an authoritarian anti human rights bill and is genuinely frightening. This is such a fascist use of power. Abhorrent. I better not use any expletives at risk of being prosecuted and I hope my freedom of speech isnt violated by expressing my views on this bill. Please, please heavily revise this. Its a hasty act, not thought through and being pushed by extreme leftist groups of people. This doesnt require 4-6 sides of A4. It requires careful thought and care.
