### **Review of working with migrant communities in Scotland**

Thank you for your letter dated 7 November 2017 regarding the round table evidence session on Police Scotland's engagement with BME communities.

I welcome the opportunity to respond to the proposal that Police Scotland and the Crown Office and Procurator Fiscal Service undertake a review of Criminal Justice bodies' engagement with migrant communities in Scotland.

Police Scotland is committed to keeping all our diverse communities safe and I recognise the benefit such a review may have in enhancing existing working practices.

It would be useful for relevant partners to come together to discuss the potential remit for such a review and I can confirm that Police Scotland will make contact with Crown Office and Procurator Fiscal Service colleagues and other key partners to consider the proposal.

I will ensure the Sub-Committee is kept updated.

Yours sincerely

Iain Livingstone, QPM  
Deputy Chief Constable
