Dear Dr Marchant

Thank you for attending, and providing evidence to, the Justice Sub-Committee on Policing on Thursday 14 September on Police Scotland's internal complaints procedures.

At that meeting you committed to providing some follow-up information on the work that the Scottish Police Authority has undertaken to date on Police Scotland's Communications and Engagement Strategy 2014-16, and any input that the SPA had to the strategy.

At the meeting you also mentioned that the SPA intends to undertake a review of the strategy to determine how it has been received and also to monitor how the performance discussions between managers and individuals was communicated and how it is working in practice. If you could provide some further detail on this work and an expected timetable that would be appreciated.

Yours sincerely

Mary Fee MSP
Convener, Justice Sub-Committee on Policing
