Clackmannanshire Council submission of 14 February 2018

Thank you for your letter of 5 February 2018 which has been passed to me by our Chief Executive to respond. In regards to your request for information on the two points I respond as follows:

1. We employ the equivalent of 1 FTE Ranger and we have no ALEO arrangements to deliver a ranger service.
2. The Council does not have a specific ranger service plan. There are various other longer term plans e.g. Biodiversity Action Plan, which the ranger service contributes to.

I hope this information is sufficient but please do not hesitate to contact me if any additional information is required.
